Sports Premium Expenditure 2019 2020

The Sport Premium is funding designed to help primary schools improve the quality of the PE and physical activities they offer their pupils.

Schools must spend the funding to improve the quality of PE activities, but they are free to choose the best way to use the money. Funding is based on the number of 7-11 year old pupils attending the school.

In 2019 – 2020 we have been allocated a total of £18,410 Sport Premium funds. We will use this to develop our existing offer and to expand the range of sports that children participate in. In addition we have a carry over £8, 297 from the previous year. This was money ring fenced to provide experience of a wider range of sports. In school surveys tell us that children at Bisham Drive Junior School already participate in a wide range of sporting activities such as football, swimming, dance, karate, gymnastics, rugby and cricket. It is our challenge to extend the sports they can try out, to engage as many children as possible, and for those sports to be based in the Nottingham area so it would be possible for them to continue their participation if they wished.

Planned Expenditure

Commando Joe £1,995

We continue to promote the character building through physical activity that the Commando Joe ethos promotes. Our school staff now deliver the lessons using Commando Joe in a Box and we have purchased the licence to enable us to continue to do this for the next 2 years

Broxtowe Active Schools Partnership £3,090

The school has benefitted from this association and more children than ever before have represented the school at events ranging from swimming, cross country, basketball and multiskill athletics we also hosted a handball tournament. We will continue to work with this group and receive the following benefits:

- Participation in a wider range of tournaments and competitions
- Training for Play leaders to support active play outside and particularly to ensure children are accessing games made possible by our recently acquired playground markings
- Professionally led interventions for children identified as being reluctant participants in physical education

Drumba £1,200

Last year every child in school got the opportunity to participate in this very physical and music linked activity. The response from children was very positive and we plan to run this again.

Access to Locally Sustainable Sports £7,000

It was not possible to complete plans for this last year and the money has been carried forward.

School is currently in contact with the following providers to put in place a schedule of exciting new provision on and off site:

- Nottingham Ice Arena
- Street Dance UK
- Bramcote Archery Club
- Nottingham Climbing Centre

Refreshing P.E. equipment in school £4,000

A renewal of large parts on in school sports equipment to improve the quality of our physical education provision. This includes the purchase of an additional set of indoor mats to ensure there is one between two when floor work takes place. We will also replace existing tennis rackets and hockey equipment and basic items such as balls and bean bags. Our in school provision will be extended by purchasing lacrosse, handball, curling, boccia and softball equipment.

Servicing and extension of the provision of external physical activities

Servicing £650

New Equipment - Multi Gym £4,608

Rower x 2 £2,200

Double Sit Up Bench £1,000
