

Pupil Premium Strategy 2020 2021

Barriers to attainment for pupils eligible for PP	
PP children are less certain of themselves as learners and need more reassurance	Pupil interview
PP children respond to supply teachers less well than their peers	Work undertaken in school by Transform
PP children are less likely to have access to equipment to support online learning at home	Parental requests for equipment support during lockdown
PP children can have less access to out of school experiences than others	Parent dialogue

Spending Plan 2020 2021 Funding received £17,485			
Activity	Cost	Objective	Outcome
Contribution to costs of cover teacher time	£7,854	As far as possible all staff teaching the children know them and are known to them	Children lose less time feeling anxious and establishing temporary relationships with supply staff
Learning Mentor to support FSM6 PP children part funded by PP monies	£4,971	The mentor will develop a trust relationship with the child enabling them to discuss and offer support for learning	Children receive targeted individual advice and support for their learning which leads to accelerated progress
Purchase and supply Chromebooks to all PP children	£4,485	All PP children have access to up to date hardware to support their access to online learning throughout the year	PP children are not disadvantaged by an inability to engage with online learning due to a lack of
Contribution to uniform costs	£175	Ensure no child appears disadvantaged in terms of uniform	Children feel confident they have the same uniform as their peers
