

Sports Premium Expenditure 2021 2022

Key points

- The Sport Premium is funding designed to help primary schools improve the quality of the PE and physical activities they offer their pupils.
- Schools must spend the funding to improve the quality of physical activities, but they are free to choose the best way to use the money. Funding is based on the number of 7-11 year old pupils attending the school.
- In 2021 – 2022 we have been allocated a total of £18,370 Sport Premium funds.
- Children at Bispham Drive Junior School already participate in a wide range of sporting activities such as football, swimming, dance, karate, gymnastics, rugby and cricket.
- It is our challenge to extend the engagement of all children, including those with additional needs, in active, physical experiences designed to promote time spent outside in the fresh air.
- We continue to use Commando Joe as part of our offer but purchased a 2 year licence so there are no ongoing costs for this academic year.

Strategy:

We will use our funding to give wider opportunities to engage with physical activity in two key ways:

- Maintaining Forest School activities in our curriculum. These are a range of outdoor based physical experiences designed to build confidence, develop understanding of the natural world including promoting environmental sustainability and encourage children to enjoy working and learning outdoors. The lessons are highly physical and promote many skills, fine and gross motor skills, balance and strength, stamina and resilience. They are also integral to supporting our school values and in recapping some class work in an outdoor environment. Teachers work with the Forest School lead to ensure the work, when possible, compliments that being completed in class.
- By continuing to license our use of DRUMBA which has proved extremely popular throughout the year
- Observations of both activities show that they are accessible to all regardless of ability and that all children participate equally in terms of engagement.

Planned Expenditure

Activity and ethos	Amount
<p>Forest School at Bispham Drive</p> <p>Funding to support the employment of a Learning Mentor with Forest School qualifications and experience to quickly bring the experience into school. This will also support the requirement to provide as much learning outside during the current Covid restrictions</p> <p>Forest School is a child centred all-inclusive inspirational learning process that offers opportunity for holistic growth through child led play with the aim of improving children's wellbeing, resilience, social skills, independence, self-esteem, confidence, imagination, empathy and creativity. We allow children the time and space to develop these skills alongside personal skills which are considered highly valuable, such as teamwork and problem solving. This happens through a range of hands-on learning and practical experiences as well as their own explorations. Children have access to measured risk and adults respect their rights to play and create their own learning in a natural woodland environment whilst teaching all to know, respect and value nature and its inhabitants. Forest School lays the foundation for positive learning, development, and further life skills to ensure children are emotionally equipped for their future</p>	<p>£18,600</p>
<p>DRUMBA licensing</p> <p>DRUMBA is a licensed scheme that has proved enormously popular in the past year. Staff are trained to deliver it and the school now has its own equipment. It is based on the use of drumming techniques and highly physical activity. It also exposes the children to aspects of the music curriculum as they are encouraged to think about rhythm and tempo. Children are also encouraged to join the teacher in leading/demonstrating during sessions and this is accessible to all.</p>	<p>£1,400</p>

Review of expenditure 2020 2021 £18,410 plus £8,297 carry over = £24,233	
Broxtowe Active Schools Partnership	£3,090
Drumba equipment, training and licence	£6,000
DDmix Dance Diverse package and training	£690
Total	£24,233
