

TOTON BISPHAM DRIVE JUNIOR SCHOOL SINGLE EQUALITY POLICY

EQUALITY STATEMENT

Legal Duties

As a school we welcome our duties under the Equality Act 2010. The general duties are to:

- eliminate discrimination,
- advance equality of opportunity
- foster good relations

We understand the principal of the act and the work needed to ensure that those with protected characteristics are not discriminated against and are given equality of opportunity.

A protected characteristic under the act covers the groups listed below:

- age (for employees not for service provision),
- disability
- race
- sex (including issues of transgender)
- gender reassignment
- maternity and pregnancy
- religion and belief,
- sexual orientation
- Marriage and Civil Partnership (for employees)

In order to meet our general duties, listed above, the law requires us to carry out some specific duties to demonstrate how we meet the general duties. These are to:

- Publish Equality Information – to demonstrate compliance with the general duty across its functions (**We will not publish any information that can specifically identify any individual**)
- Prepare and publish equality objectives which we will review on an annual basis
- Consult all our stakeholders in the development of our equality objectives and report on progress against our objectives on an annual basis

In order to do this effectively we will collect data related to the protected characteristics above and analyse this data to determine our focus for our equality objectives. The data will be assessed across our core provisions as a school, but we will also analyse available data relating to the context of our local community, including hate crime data and demographic information. In relation to school provision we will pay particular attention to the following functions:

- Admissions

- Attendance
- Attainment
- Exclusions
- Prejudice related incidents

Our objectives will detail how we will ensure equality is applied to the services listed above however where we find evidence that other functions have a significant impact on any particular group we will include work in this area.

We also recognise that our work on equality is central to the successful promotion of fundamental British values, especially in relation to the values of respect and tolerance and the rule of law. We will therefore ensure that our curriculum helps to prepare pupils for life in modern Britain and that we work proactively to address all forms of prejudice and discrimination, including derogatory and discriminatory language.

We recognise that these duties reflect international human rights standards as expressed in the UN Convention on the Rights of the Child, the UN Convention on the Rights of People with Disabilities, and the Human Rights Act 1998.

In fulfilling our legal obligations we will:

- Recognise and respect diversity
- Foster positive attitudes and relationships, and a shared sense of belonging
- Observe good equalities practice, including staff recruitment, retention and development
- Aim to reduce and remove existing inequalities and barriers
- Consult and involve widely
- Strive to ensure that society will benefit

Our Ethos/mission

At Bispham Drive Junior School we recognise that children are growing up in an ever changing world that presents both new opportunities and new challenges.

On a whole school level we do this by ensuring that our pupils are learning in a school that is constantly developing its practise to make the most of new technologies and advances in the understanding of learning. We create an environment that uses the best of pastoral care to support the development of each child. We root everything we do in a set of solid core values. We promote a curriculum with a range of cultural links and experiences; we encourage healthy choices and involvement in adventure and sport. Every person at school, adult and child, is proud to be part of our community. We show how proud we are by our motto 'Ad esse optimum' 'To be the best'.

On an individual level we want every child to be the hero of their own story. We help them to understand that each week is a new adventure that will present challenges, occasional setbacks and many successes. They will learn to grasp every opportunity and overcome any obstacle to leave our school with greater independence, ready to become the remarkable global citizens they all have the potential to be.

Our vision is underpinned by 4 sets of values that we use throughout school throughout the year:

- Honest and helpful
- Enthusiastic and engaged
- Respectful and resilient
- Open minded and Kind
